I found this to be a good introduction to Thich Nhat Hanh’s work. With commentary by Annabel Laity his writings are grouped with similar themes and drawn from a number of works. Thich Nhat Hanh has the ability to take the complex themes of Buddhism and simplify them to concepts that are easier to grasp at the onset, applicable to daily life and still allow for deep reflection.

The importance given to Zen's non-reliance on written words is also often misunderstood as an opposition to the study of Buddhist texts. However, Zen is deeply rooted in the teachings and doctrines of Mahāyāna Buddhism and gradually developed its own literature. What the Zen tradition emphasizes is that enlightenment of the Buddha came not ...
