Childrearing, Motherhood and Fatherhood in Bangladeshi Culture
I was born to an American mother and a French father, and I found my parents’ styles to be very different. In fact, their styles were polar opposite. And that is just dealing with two “Western” cultures. Because I grew up as a TCK, I had the opportunity to meet families from all around the world and observe a variety of parenting styles.

How cultures around the world think about parenting
Parenting Across Cultures: A Global Perspective Child-rearing in different cultures can be as varied as the countries from which they come. Some practices can appear neglectful by American standards, while others just seem unusual. Norwegian parents let their kids sleep in the freezing cold, NPR reports. The French don’t cater to “fussy eaters,” instead serving children the same meals they themselves eat.
