Political Discourse Analysis: A Method for Advanced Students

In this textbook, Isabela and Norman Fairclough present their innovative approach to analysing political discourse. They introduce a toolkit for analysing political texts and an integrated approach to discourse analysis: critical discourse analysis. The book is grounded in a view of politics in which deliberation, decision and action are crucial concepts: politics is about arriving cooperatively at decisions about what to do in the context of disagreement, conflict of interests and values, power inequalities, uncertainty and risk.
