Travel history is a record of your visits where you travel in the past. Every councilor or country wants to know where you travel in the past because they think if you come in their country directly without visiting another country than there is a chance that you don't go back your country.

Traveling Through History: Visit Historical Places
History shapes these cultural values, and cultural values shape history. They’re inextricably intertwined, and trying to understand one without the other will lead to surface-level conclusions. It’s the invisible parts of culture that can be so difficult to grasp when we’re traveling cross-culturally. #ttot #trlt Click To Tweet

Traveling In Place A History
In Traveling in Place, Bernd Stiegler celebrates this convenient, magical means of transport in all its many forms. Organized into twenty-one “legs”—or short chapters—Traveling in Place begins with a consideration of Xavier de Maistre’s 1794 Voyage autour de ma chambre, an account of the forty-two-day “journey around his room” Maistre undertook as a way to entertain himself while under house arrest.
